**How do you know when a piece you are working on is finished or completed?**

A: When my wife tells me to stop!

**Tell us something someone would not know about you looking at you or your art?**

A: I was a professional photographer who worked with performers from all over the world

**Do you have favorite colors and/or materials?**

A: I work with the whole color range, the stronger the better and my favorite materials are mixed media watercolor, color pencil and pastel.
